Start with God---we move forward in Peace

Think briefly about what you have faced...was not the presence of Christ with you? How did you sense that?

Contagious Calm—in the present storm, people need this, need to see this, need to find comfort in the Calm exhibited by ones who trust in the Lord Jesus Christ.

Contagious Calm is:

1)Available, 2) Possible, 3)Offered, 4)Occurring to the degree that we turn to him.

My Peace, said Jesus, I give you...not like the world gives. (John 14:27)
